2002-03

Celebrating Fifteen Years of Service

The Robert Carter Family of Wexford received a well-deserved Community Award. Every member of the family has saved money on behalf of NHCO since little Lucas was an infant.

Former Board president Marilyn Slagel Novak received the Don Hook Leadership Award for her vision and leadership. Here, she celebrates with her proud daughter, Thea.

On September 28, 2002, 240 friends and supporters of North Hills Community Outreach gathered to celebrate fifteen years of compassionate and effective service to neighbors in need. We were honored that the White House sent **David Kuo**, Deputy Director of the President's Office for Faith-based and Community Initiatives, to serve as our guest speaker.

We recognized fifteen individuals or organizations—one for each year—that have made outstanding contributions to NHCO:

St. Paul's United Methodist Church received the William Gibson Spirit Award for encouraging and enabling others to serve.

Marilyn (Mitzie) Slagel Novak received the Don Hook Leadership Award for her extraordinary vision and leadership.

Ross Schonder Sterzinger Cupcheck received the Shirley McIlvried Service Award for selfless giving of their time and talent.

Four individuals and one organization were given the President's Award for their outstanding volunteerism: **Diane Prager**, **Jason Troia**, **Mari-Lou Wong-Chong**, **Will Sauereisen** and **The Gatehouse**.

The following individuals and organizations received Community Awards for their consistent and substantial contributions to North Hills Community Outreach: **Mayor James Burn** (Millvale), the **Robert Carter Family**, **Mayor Paul Cusick** (Bellevue), **Etna-Shaler Rotary**, **LaFamiglia Delightful Foods**, **North Hills Community Baptist Church** and **Shaler Area Middle School**.

We look forward to the next fifteen years!

North Hills Community Outreach is an interfaith nonprofit organization that addresses the spiritual, emotional, physical and material needs of people in crisis, hardship and poverty.

NHCO provides information and education, makes referrals and facilitates access to resources to bring immediate help in a manner designed to preserve the dignity of individuals and families and to demonstrate the love of God.

A Word of Thanks

We feel blessed to be in a position to help our neighbors in need every single day. Last year **2,719 families** in crisis, hardship or poverty in northern Allegheny County asked for and received North Hills Community Outreach’s compassionate, holistic and effective assistance.

None of our efforts would be possible without the generosity of volunteers and other caring community members who contribute in extraordinary ways. Can you believe that 1,190 individuals gave more than 26,000 hours of their time to NHCO last year? Or that 2,279 people donated goods, services or funds in 2002-03? Not to mention the 391 businesses, 163 religious groups, 24 foundations, 83 school groups, 140 civic organizations and ten government entities that helped carry out our mission of **“People Helping People”** with their gifts of money, time or talent!

NHCO is collaborative, visionary and strong, providing **\$467,512 in direct assistance** this year. If you are not yet a part of this vital community effort to assist neighbors in need as they work to achieve self-sufficiency and stability, we invite you to join your hearts and hands with ours.

With sincere appreciation and gratitude,

Ruth Graham
Board President

Fay Morgan
Executive Director

Holistic Approach

When a person comes to NHCO hungry and needs to use our food pantry, we do not give him his groceries and send him on his way. Instead, we take a more comprehensive approach to helping those in need. Chances are good that if he is hungry, he might also need employment help, financial assistance and perhaps some emotional support.

This year, 102 people were enrolled in our case management program, which is funded by the Allegheny County Department of Human Services and aims to help individuals attain stability and economic self-sufficiency. Over the course of the year:

- ★ Of the 89 individuals who were unemployed or working part-time at the time of enrollment, 35 obtained full-time employment.
- ★ 77 percent of those employed increased their income.
- ★ 17 people moved above 125 percent of poverty level.
- ★ 24 percent of everyone enrolled secured better housing.
- ★ A single mother was able to purchase a home.

Valuing Education

Financing a college education is difficult under the best of circumstances. But for a single mother with a minimum wage job, it is almost impossible. While many low-income individuals qualify for federal and/or state aid for tuition, oftentimes they are unable to pay for books, supplies, childcare or other expenses associated with attending college.

That’s where NHCO’s Scholarship Program comes in. Thanks to the incredible generosity of Alicia Photography, Zonta Three Rivers North and North Pittsburgh Business and Professional Women, eleven people in financial hardship were awarded scholarships totaling \$10,250 this year.

Since the program’s inception in 2000, nearly \$30,000 in scholarships has been distributed.

Amazing Volunteers

If you were to call NHCO every weekday, it’s unlikely you would speak to the same person twice. That’s because all of our front-desk receptionists are volunteers. Loyal, steadfast volunteers. As are the people who enter donations into the computer, assist individuals in completing applications for utility help, stock the pantry shelves, trim the hedges and sort winter coats. (There’s more, but you get the picture!)

Our dedicated volunteers numbered 1,190 this year, collectively giving an astonishing 26,477 hours of their time. That’s the equivalent of having 13 additional full-time staff members! Included in this number are 238 young people who helped by raking leaves for the frail elderly, mailing newsletters and organizing food drives as part of our Youth Leadership Program.

To all of our amazing volunteers—thank you!

Volunteers Carine Albinger, Rae Albinger, Chuck Egan and 30 others enjoyed a bus trip to West Virginia in November. The trip was generously sponsored by one of our most dedicated volunteers (who wishes to remain anonymous).

Helping Families Stay Warm, Housed and Fed

Mark Mitro of Shaler unpacks a box of donated food that he collected as part of his senior project.

Families in crisis, poverty and hardship ask for help from NHCO for a variety of reasons. But the top two circumstances that brought people to us this year (like most years) were the inability to pay utility bills and hunger. In total, 1,795 families received food and emergency services in 2002-03.

- ★ 488 hungry families received food at the Loaves & Fishes Food Pantry in Allison Park; 347 at the North Boroughs Food Pantry. The chart

below depicts the ebb and flow of food donations to our pantries compared to the more consistent amount of food we need to distribute every month. A total of \$215,634 worth of food and grocery store certificates was distributed.

- ★ To prevent shut-offs, \$15,707 was paid to area utility companies on behalf of 115 households.
- ★ Financial housing assistance totaling \$29,461 was provided to 126 families. This includes rent, security deposits, home repair and similar payments.

Ever wondered where that dollar goes that you add to your electric or gas bill payment? It goes to the \$1 Energy Fund for families in need. NHCO helps families in northern Allegheny County complete the necessary forms to receive assistance through \$1 Energy. This year, we helped hundreds of struggling families receive \$100,130 in financial help. To break it down by NHCO site:

- ★ Allison Park—130 applications; \$31,860 in assistance
- ★ Millvale—183 applications; \$44,020 in assistance

- ★ North Boroughs—117 applications; \$24,250 in assistance

As you can see, utility help is a huge part of what NHCO does. And there's more! We provide additional services by enrolling families in CAP—Customer Assistance Programs. These programs help low-income households with substantial balances by offering them energy education, reduced payment plans and arrearage forgiveness.

- ★ Allison Park—assisted 17 Dominion Peoples customers
- ★ Millvale—assisted 355 Duquesne Light customers
- ★ North Boroughs—assisted 180 Columbia Gas customers

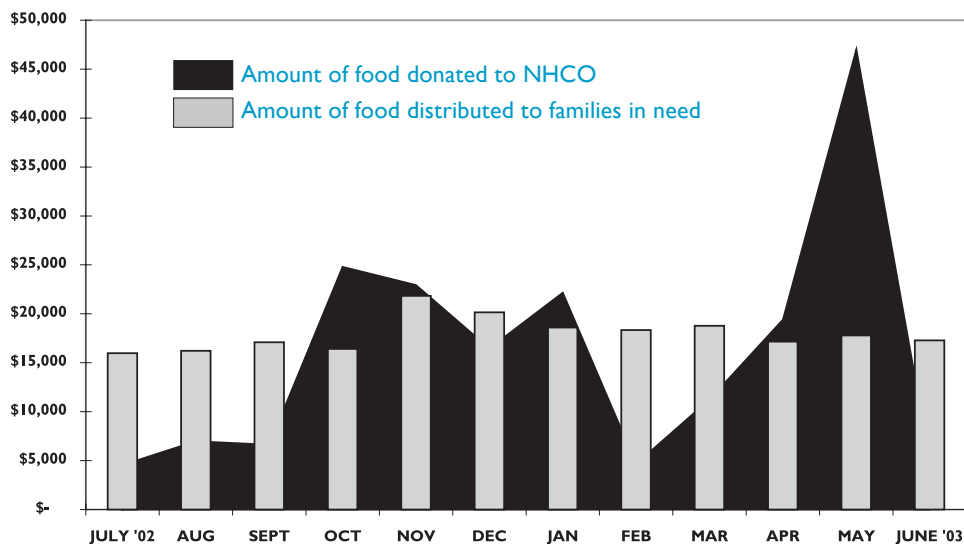

Help for Job Seekers

"I've been downsized." Unfortunately, we have heard that expression far too many times this year. In fact, 588 individuals came to us for employment assistance in 2002-03—that's a fourteen percent increase from last year.

In addition to helping those who have lost their jobs outright, we also help people who are *underemployed*. In other words, they are working but are not earning enough money to support themselves and their families. Or perhaps their jobs do not offer any health benefits.

- ★ 132 people found jobs with help from our employment services.
- ★ 240 people received one or more job referrals.
- ★ Résumés were prepared or evaluated for 138 individuals.
- ★ 74 people attended NHCO-sponsored job fairs in Millvale and the North Boroughs.
- ★ Individuals at eight local food pantries received employment services from NHCO.

Comparison of Food Donations Versus Food Distribution

Volunteers Rehana Aslam and John Stoehr help lead volunteer Jane Furar prepare for NHCO's annual free Winter Coat Shop. Families and individuals receive admission tickets and can select a coat of their choice. Children's and adult extra-large sizes are always in high demand.

Sharing Projects

As children, we are taught to share with our neighbors. This community is clearly full of good listeners, as evidenced by the amount of sharing we were able to do this year! Overall, \$128,024 (both financial and in-kind) was distributed to 987 families in hardship through Sharing Projects. More specifically:

- ☆ 511 families received household items such as furniture, appliances and toys.
- ☆ New and gently worn winter coats were distributed to 210 local families. Several hundred additional coats were given to area pantries, congregations and shelters to help even more people in need.
- ☆ Thanksgiving was made more joyful for 564 families who received a complete, nourishing holiday meal.
- ☆ 259 households received \$75 in certificates for utility and food bills through Sharing Holiday Warmth. For parents, it freed up some of their funds for holiday spending for their children. For frail seniors, it meant that the community cared!
- ☆ We were able to brighten up spring for 240 families with candy baskets, holiday dinners and grocery store certificates.
- ☆ The beginning of the school year was a lot more exciting for 211 children who received new backpacks and supplies.

Faith in Action

NHCO's Faith in Action (FIA) program serves the frail elderly and adults with disabilities. This year, 280 individuals received assistance with yard work, transportation to doctors' appointments, grocery shopping and other light chores and errands.

Other FIA services include home safety evaluations as well as "Quick Screens" to determine eligibility for Medicare and other low-cost programs.

Prescription Fund

When low-income families have financial and health-related difficulties, taking care of basic needs such as food and rent usually takes precedence over paying for medical expenses.

The RX-tra Emergency Prescription Drug Fund was established this year to help these families obtain necessary medications by assisting with insurance co-payments or by buying prescriptions for those without health coverage. The fund also helps with costs relating to eyeglasses and repairs to medical equipment. Seventeen individuals received a total of \$1,256 in assistance.

Saving for a Brighter Future

Low-income individuals and families have a great incentive to put aside some money each week—a \$2,000 incentive, to be precise.

Through Family Savings Accounts at NHCO, eligible households can earn up to \$2,000 to purchase or repair a home, start a business, pursue a college education or buy a car. All that's required is that they save \$20 a week over two years and attend eight hours of financial workshops. Then the \$2,000 is all theirs.

Over the course of the year, 188 applications were given to potential savers; 34 families were signed onto the program. The majority of them are saving to buy a house.

The statewide program is funded by the PA Department of Community and Economic Development. NHCO is one of 37 organizations across Pennsylvania that administers the program.

Someone to Listen

When a person is coping with depression, anxiety, legal troubles, divorce or grief, having someone to talk to can make all the difference in the world.

- ☆ The Young Widows/Widowers Support Group offered comfort to eleven individuals.
- ☆ In association with the North Hills Practitioners Section of the Allegheny County Bar Association, NHCO offered free legal help to 63 neighbors in need. "Ask the Attorney" is offered to low-income individuals and families nearly every month and rotates among NHCO's three main sites. Many thanks to the 20 volunteer attorneys who so generously gave of their time and advice.

“Jane” was in dire straits when she came to the Millvale Satellite for help in August 2002. Divorced, homeless and unemployed, Jane was also suffering from medical and mental health issues. Among other things, we enrolled her in the Millvale Food Pantry, paid a security deposit on an apartment, signed her up for Duquesne Light CAP to help manage her electric bills and arranged counseling with North Hills Youth Ministry Counseling Center.

Jane now has a full-time job and her own apartment. The counseling, while still ongoing, is having a positive impact on her life.

Dear North Hills
Community
Outreach!
Dear friends and neighbors!
For all that you do
for so many, especially
what you have done for
us as a family - we want
to gratefully thank you.
Again, because of you
another holiday was a
good one - you are a true
blessing this Thanksgiving.

“John” came to North Hills Community Outreach shortly after being released from jail, where he had served time for failing to make child support payments. Jobless and living with his parents in Hampton, John needed to get his life back on track. He was enrolled in our case management program and received intensive support and guidance as well as employment assistance. John now works two jobs, lives in his own apartment, pays his child support and has visitation rights with his son.

Congrats!

Board member Mari-Lou Wong-Chong was named a Community Champion this year. She was recognized for her outstanding volunteerism and was featured in the *Pittsburgh Post-Gazette*.

“Peggy” is a single mother of two from Sharpsburg. When we first met Peggy, she was struggling with low self-esteem and was bouncing from one minimum-wage job to another. Before having children, Peggy had worked in the medical field and really enjoyed it. We discussed the possibility of her enrolling in nursing school and provided her with several job leads (and lots of encouragement). Peggy now maintains a part-time job at a local hospital, has a plan for the future and is well on her way to becoming self-sufficient.

Sharing Resources

We distributed food and goods to more than 25 nearby pantries, shelters, congregations and social service agencies this year. All told, we shared \$11,312 worth of food and \$31,546 in other resources such as furniture, school supplies, toys and winter coats with neighbors in need in surrounding areas.
