Seven completed the program and received a total of \$17,700 in matching funds. Three purchased reliable cars; three made necessary home repairs; and one started a small business venture.

- 83 individuals received free legal advice through NHCO's Ask the Attorney program. Sixteen attorneys with the Solo and Small Practice Section of the Allegheny County Bar Association volunteered their time and talents.

President Bush Praises NHCO

On July 28, 2003, President George W. Bush recognized NHCO for our excellent faith- and community-based services for neighbors in need. During his speech to the National Urban League in Pittsburgh, he spoke specifically of Royal Patterson, a Sharpsburg man who asked for help at our Millvale Satellite. "He was a painter for 27 years and then he was unable to climb up a ladder. So he goes to [NHCO]. They gave him food. They gave him bus passes. They helped him to get a new job. But what he said was most important, he said it was so uplifting, you figure nobody cares, but they care."

Millvale Satellite Expansion

This year we celebrated the tenth anniversary of our Millvale Satellite. Ten years ago we helped 74 families at this site; this past year we helped 1,865! The small storefront office lacks confidential interviewing space, is not handicap accessible and is altogether inadequate to meet the growing need for our services. To address this situation with vision and stewardship, we are collaborating with the Borough of Millvale to expand and renovate the existing community center. When the new center opens in 2006, we will move our Millvale Satellite there and serve families in need in Millvale and 23 surrounding communities for many years to come.

The future Millvale Community Center and proposed home of NHCO's Millvale Satellite

Food Pantry Relocates

When the Northgate Grant Community Center was sold this year, we were forced to find a new location for our North Boroughs Food Pantry. After an exhaustive search of Bellevue, Avalon, Emsworth and Ben Avon, leaders at Suburban General Hospital came forward and donated two rooms for our food pantry, which serves 150-175 families each month. The hospital already houses our Faith in Action and Youth Leadership programs, and NHCO is thankful to have such a strong partner in the North Boroughs community.

Charity Stamps gets a hug from her sister, who paid a surprise visit to Pittsburgh—with the help of NHCO.

Extreme Adversity Fund

This year we instituted the Extreme Adversity Fund to take care of individuals like Charity Stamps—people who need help "above and beyond" our typical services. Charity has a catastrophic illness, owed nearly a year's rent, did not have transportation to the hospital, was often too sick to clean her apartment, and has no family in Pittsburgh. We mobilized volunteers and donors to take care of many of Charity's most pressing needs, including getting her social security benefits, which previously had been denied.

Managing for Excellence

NHCO was one of three area nonprofits to receive the prestigious Managing for Excellence Award from United Way and Bayer Center for Nonprofit Management. The award recognizes a commitment to organizational improvement, professional development and capacity building. We will use the \$25,000 award to implement our strategic marketing plan.

Landis Wins Arcadia Award

Board Vice-President Lynn Landis received the Arcadia Award from Northern Allegheny County Chamber of Commerce for his professionalism and excellence in community service with NHCO.

Grateful for Bequest

Longtime supporter Glen K. Rodemoyer passed away this year and left NHCO \$100,000 in his will. We appreciate his generosity and trust in our stewardship for the future.

Holistic Approach Helps Millvale Woman Get Back on Her Feet

Maureen Danzuso is a fifty-year-old mother of two daughters, ages 32 and 18. She has worked as a waitress at a Pittsburgh restaurant for the past eleven years, brings home between \$6,000-\$8,000 a year and does not have any health benefits. A recovering alcoholic—sober for nearly ten years—Maureen has been separated from her husband for many years and hopes to finalize her divorce soon.

Maureen had been struggling financially for years, and by August 2002 had fallen so behind on her rent that she received a court order to pay it or face eviction. A resident of Millvale, Maureen was familiar with NHCO's storefront office on North Avenue, but she never wanted to ask for help. Maureen knew that the court order left her no other option but to "swallow her pride and ask for NHCO's assistance."

NHCO takes a holistic approach to helping our neighbors in need. So in addition to helping prevent her eviction, we also enrolled Maureen in our case management program, which aims to help low-income individuals and families achieve economic self-sufficiency over time. We paid a gas bill to prevent a shut-off and counseled Maureen on budgeting and other life management skills so that she can now meet her monthly obligations. She received help through such seasonal sharing projects as Turkey on Every Table and Sharing Holiday Warmth. And we've been working with her to find a higher paying job with health benefits.

With a letter of recommendation from NHCO, Maureen's daughter Misse received a \$1,400 college scholarship through St. Vincent de Paul. Misse wanted to give back, so she chose NHCO for her senior project and helped with our holiday projects so that other families can receive necessary assistance during difficult times.

Maureen is grateful for the compassionate, effective and immediate help she's received at NHCO. Her relationships with staff and volunteers have grown over the past two years to the point where Maureen refers to them as her "angels." She adds, "I feel like I've known them my whole life. I absolutely love them and don't know where I'd be without NHCO's help."

Valuable Volunteers

NHCO is blessed to have 1,136 caring individuals as volunteers. Some come every day, some once a week, others a few times a year. Some share professional talents, some answer phones or sort food, others rake leaves for frail elderly neighbors. Whatever their time commitment or volunteer task, we appreciate the 29,860 hours they collectively gave in 2003-04.

Among those 1,136 volunteers are 388 young people involved in our Youth Leadership program. NHCO offers a wonderful opportunity for children and young adults to learn the value of volunteering and help their neighbors in need. Each year, several high school students choose NHCO for their senior projects—collecting winter coats, school supplies, etc. Scout troops also play a vital role by collecting and sorting food and other items for local families. A big THANK YOU to all of our volunteers!

Facing Serious Health Problems, Couple Turns to NHCO

Pam and Dan Hartman moved to Hampton Township in February 2004 to manage an apartment complex. Although they each earned only \$7 an hour, \$800 of their \$1,100 rent was covered by their employer. They were living comfortably and adjusting to their new life when serious health problems required surgery for both of them and they were laid off. Their adult son lives with them, but he is temporarily unemployed and not able to contribute financially to the household.

In June, Pam, 52, had major abdominal surgery. One week later, her husband Dan, 56, underwent knee surgery. Fortunately, they still had health insurance that covered the operations, but they were living on just \$700 a month from Dan's previous employer's pension plan. *The federal poverty level for a household of three is \$1,306.*

Pam had become friends with a tenant who is a North Hills Community Outreach volunteer. She told the Hartmans about NHCO's compassionate and effective services for people enduring a crisis or hardship. Says Pam, "What a blessing...the shoe was on the other foot and they cared and helped us." The first assistance

Pam and Dan received was supplementary food through our Loaves & Fishes Food Pantry. We also signed them up for Customer Assistance Programs through their electric and gas companies. They were facing shut-offs with both utilities, but arranging modest payment plans prevented this. Pam developed an infection from her surgery; NHCO paid for a \$75 prescription through our RX-tra Emergency Prescription Drug Fund.

After receiving employment help including job leads and résumé guidance, Dan found a full-time security job with benefits. The position requires driving about 1,500 miles per week, and the gas costs are astronomical. (He is eventually reimbursed, but he must pay for gas up front. After three months of employment, the company will provide a car and pay for all gas and maintenance.) In the meantime, he receives a monthly gas card through NHCO and Traveler's Aid to help defray some of the costs.

Pam says, "This is a story about what looked like despair but turned into blessings of hope and many new friendships. God bless all those at North Hills Community Outreach."

Hampton High School Honor Society students collected \$1,750 worth of toiletries.

"Thank you so much for all you did for me. Enabling me to get to physical therapy has put me back on my feet—both of them!"—*From a Faith in Action care recipient who broke her ankle in three places. Several volunteers drove her to ten physical therapy appointments and also shoveled snow and took out the garbage for her.*
