AmeriCorps VISTA:

North Hills Community Outreach is proud to be an AmeriCorps VISTA site since 2007. Our passionate and committed AmeriCorps VISTA members make a tangible difference in the lives of local families in crisis, hardship and poverty.

Through their year-long, full-time commitment to serve, our VISTA members have helped to build NHCO’s organizational capacity by developing computer education sites, training low-income families to access affordable transportation, creating access to nutrition information for families, and much more!
North Hills Community Outreach always strives to help families in hardship improve their life situation; this includes offering employment services. Now, thanks to a new partnership that began in October 2012, we can reach more people and offer more effective employment help, including job fairs and workshops relevant to 21st-century job searching.

WorkAble, a United Way-funded partnership between NHCO, Jewish Family & Children’s Services and South Hills Interfaith Ministries, provides free, holistic career counseling and coaching to unemployed and underemployed Allegheny County residents.

An unexpected job loss put Peggy, who lives in Cheswick, into a tailspin and she came to NHCO, where she learned about WorkAble.

“Thank you for all the help, information and services,” she wrote. “Marv is a great instructor and the WorkAble volunteer has been extremely helpful answering my questions. Justin shared so much information with me and helped me update my resume.”

WorkAble provided the tools, guidance and encouragement for Peggy to approach her job search with a positive attitude.

A professional career consultant assesses the jobseeker’s skills, employment needs and barriers to employment. The jobseeker then works one-on-one with a volunteer employment coach to learn resume writing, job searching, interviewing skills and more, while receiving support and encouragement along the way.

Additional services available through the partnership include social media training, a Jobs Update email, career fairs, online learning center, computer lab, free computer classes, and more.

Richard Kajuth, a WorkAble volunteer coach, summed up the spirit of the WorkAble program when he said:

“I like being able to help people find gainful employment. It’s a pleasure to help someone articulate what they need and who they are.”

Last year, our volunteers gave 44,368 hours - the equivalent of 21 full-time staff members!

Clockwise from top left: Volunteers Ginny Cole (reception), Bunni Studeny and Melanie (operations), Kate Maseth-Ready (development), and Paula Brethauer (operations).
Groups like the North Allegheny Fiddlers used their talents to help better the lives of thousands of their neighbors in need. Last year, 524 youth volunteered with NHCO.
“Thank you for all you do to provide the Free Bus and for the many things you do to make us seniors feel special. You are a special gift from God!”

- Alice, Blawnox
Youth volunteers help forward NHCO’s vision of a sharing community. FAME students and FEDEX mentors visited with seniors in Met Towers on Martin Luther King, Jr Day.
