We’re Growing so we can better serve Our Community

2018-2019 Annual Report
Our Mission
North Hills Community Outreach is an interfaith-based organization addressing the needs of people in crisis, hardship and poverty.

In fiscal year 2018-19, NHCO provided 30,407 services to 3,612 local families in need.

Our Vision
Northern Allegheny County is a sharing community where no one is cold, hungry or alone.

Our Values
Faith: Recognizing the love of God for everyone
Compassion: Treating all individuals with dignity, understanding and caring
Empowerment: Fostering self-sufficiency and improved quality of life
Stewardship: Managing our resources in a trustworthy and responsible manner for the good of the community

We’re Growing
On May 31, 2019 we officially moved into our new North Boroughs Office in Avalon.

NHCO opened its first Bellevue satellite office at Emmanuel Lutheran Church in 1997, and then moved to AGH Suburban General in 2001.

“The advantages of moving our NB office and food pantry to Greenstone UMC have far exceeded our expectations! We are more visible, more accessible and more integrated in the community - and staff, clients and volunteers all are thriving in our new warm and welcoming site,” said North Boroughs Outreach Manager Nancy Jones.

This October we invited the community for an open house and tour of the new location.

“It was wonderful to share our mission and vision with everyone who attended our North Boroughs Open House - and to show off our new space which enables us to serve more families with compassion and respect,” Nancy added.

In Memory of Ruth Graham
Our beloved volunteer, board member and cherished friend passed away on October 27, 2019.

“Ruth was truly a blessing to NHCO and to all of us who had the privilege and honor of working with and knowing her. She embodied the spirit of NHCO and our mission in our communities,”
- Sharon Wolf, Executive Director

She also served on several board committees, including Food & Emergency Services, Special Events & Fundraising, Strategic Planning, Community Relations, Fund Development and Development & Communication.

At our Allison Park Office she donated her time at the food pantry, and assisted with office duties.

Among her many accomplishments as a volunteer, she coordinated gift wrapping for customers at Northway Mall in exchange for donations to NHCO. And she helped supervise 200+ NHCO volunteers at the 2007 US Open at The Oakmont Country Club.

“She was interested in all aspects of NHCO and one of our biggest cheerleaders, always promoting NHCO wherever she went. We are going to miss her!”
- Cheryl English, Executive Assistant

District 1 Difference Maker Award Winner
Congratulations to Volunteer Maresa Saunders

Her warm, bright smile greets visitors when she volunteers at the front desk in our Millvale Satellite Office. Her quirky sense of humor puts the “fun” in fundraiser.

During the summer of 2018 when a destructive flood washed through Millvale, her get-it-done attitude helped bring relief to many of the victims. For her volunteerism during that difficult time, Maresa was given the District 1 Difference Maker Award by Allegheny County Councilman Tom Baker.

Working under intense conditions, Maresa helped distribute cleaning supplies and donations while comforting the flood victims with compassion.

“I just wanted to help those that came in. So many had lost everything,” Maresa said.
Food and Emergency Service
Food insecurity and general financial hardship are the top two reasons people sought help at NHCO.

2,280 families received food and emergency help

1,001 families used one of NHCO’s three food pantries or received emergency food

“Being on disability my income is extremely limited. So every penny counts.”
Donna, Food Pantry Client

NHCO responded to two disasters

- Cleaned out and sanitized basements
- Placed fans and dehumidifiers to dry out basements
- Replaced furnaces and other appliances
- Repaired a sewer line
- Provided utility assistance
- Provided gift cards for household items

We assisted 30 families affected by a fire by:
- Providing gift cards for household items and clothes
- Opening our food pantries to the victims.
